PRESIDENT'S MESSAGE

The CPCA Executive has met monthly since December, and will meet again on May 21st in the library of City Park Collegiate at 7 p.m. Everyone is welcome to attend this and all of our meetings.

Our Winter Carnival at the Affinity Arena had to be postponed and then cancelled due to the vagaries of this year's winter. We held another very successful Wine Evening at the Mendel (perhaps our last one in that location?) on February 27th, for which we thank Susan Wall, who did a superb job in organizing the event, and we thank the Bradley family and spouses, who provided the delicious foods that accompanied the various wines.

At our February meeting we had an enthusiastic presentation by Joel Bernbaum of SUM Theatre, who asked that over the summer we again host Theatre in the Park, which drew 270 people last summer. The Executive agreed enthusiastically, and we plan to hold other enjoyable community activities at the same time as the play.

The proposed bridge at 33rd Street will certainly engage the attention of the Executive in coming meetings, and we will likely liaise with North Park Richmond Heights Community Association in investigating and debating this proposal.

Thanks to all our Executive members and special thanks to our Community Consultant Mark Planchot and to Councillor Darren Hill, who lives in City Park and rarely missed a meeting.

We have room for just one more person on our 15-person Executive. If you are interested, or if you would like to talk about an issue of concern to you in City Park, please give me a call.
