

Maggie's Early Learning Centre Inc.

We offer an excellent quality environment for
Infants, Toddlers and Preschoolers

Using the Reggio Emilia Approach to Education and through children's natural curiosity to explore their environment, we create a setting that first engages and then stimulates physical, social, emotional and cognitive development with a goal to maximizing their potential.

Located in City Park School

close to downtown, City Hospital, University Hospital,
University of Saskatchewan, and Saskatchewan Polytechnic
820 - 9th Avenue North
Saskatoon, SK S7K 2Z2
