CITY PARK BUILT HERITAGE COMMITTEE

Are you interested in the heritage and architecture of the City Park neighbourhood and its character homes?

Would you like to help promote heritage to others in City Park?

We'd like to hear from you! The City Park Community Association and the City of Saskatoon are looking for interested individuals to form a City Park Built Heritage Committee.

Please e-mail LAP@saskatoon.ca or call 306-657-8681 for more information

If there is enough interest in forming the community group, we will schedule an event to get everyone together.

Potential projects for the City Park Built Heritage Committee include writing heritage articles for the Community Association newsletter; designing brochures about renovating character homes in the neighbourhood; organizing heritage hardware swaps and walking tours; hosting workshops to share information on renovating older homes; and more!

KINDER SOCCER TO RETURN!

After a successful inaugural season last Spring, Kinder soccer (ages 3-5) is looking to return to Wilson Park again this Spring.

We need a volunteer to step up to coordinate this program.
